

# BUSINESS SERVICES

Ample office space and a prepared workforce are just two of the many reasons professional and I.T. companies pick Lackawanna County as a location of choice. With over 13 regional colleges and universities educating almost 50,000 students, there is no shortage of you professionals waiting for their next opportunity in corporate America and small businesses alike. The greater Scranton area meets the service, logistical, and workforce demands of any size business, I.T., real estate, or insurance company.
